

HOW KYIV COMMUNITY FIGHTS FOR GREEN ZONES AND ACCESS TO WATER

Yehor Firsov

Head of the Board of NGO Office for the
Environment

MAKE
KYIV
GREEN
AGAIN

THIS IS THE **MARCH FOR KYIV**, WHICH TOOK PLACE LAST SATURDAY

MORE THAN **10 THOUSAND** CARING PEOPLE OF KYIV CAME

MARSH'S BASIC REQUIREMENTS:

1. STOP THE VIOLENCE OF DEVELOPERS OVER THE CITY AND GREEN AREAS - THIS IS MAINLY ABOUT ILLEGAL DEVELOPMENT, OR ONE THAT HAS ARISEN THROUGH CORRUPTION AND CONTRARY TO ALL NORMS OF COMMON SENSE.
2. WE DEMAND CLEAN WATER AND AIR IN THE CITY.
3. WE DEMAND THE RETURN OF SELF-GOVERNMENT, DISTRICT COUNCILS WITH A BUDGET AND AUTHORITY.
4. REFORM OF PUBLIC TRANSPORT AND MOBILITY.
5. THE NEW MASTER PLAN OF KYIV - THIS REQUIREMENT WILL ACTUALLY SETTLE ALL THE MAIN PROBLEMS OF THE CITY, BECAUSE THE OLD MASTER PLAN WAS CREATED FOR DEVELOPERS AND DOES NOT PROMOTE THE IDEA OF DEVELOPING THE CITY.

LAKE VYRLYTSIA - IS ONE OF THE LARGEST LAKES IN KYIV, WITH AN AREA OF OVER **110 HECTARES!**

PIKE AND PIKE PERCH, MUSKRATS AND WATER FISTULAS LIVE HERE. IN THE COASTAL ZONE, YOU CAN SOMETIMES COME ACROSS HARES, BEAVERS AND TURTLES.

SOVSKY PONDS - ARE ABOUT 20 HECTARES OF WILDLIFE COVERED BY RESERVOIRS IN THE MIDDLE OF KYIV.

AT FIRST THEY WANTED TO BUILD A SHOPPING CENTER THERE, AND LATER A RESIDENTIAL QUARTER.

THIS PROVOKED PROTESTS FROM ACTIVISTS, ENVIRONMENTALISTS AND LOCALS.

RECENTLY THE COURT TERMINATED THE LEASE AGREEMENT BETWEEN THE KYIV CITY COUNCIL AND DEVELOPER AND RETURNED THE TERRITORY TO THE CITY

RESIDENTS OF KYIV SUFFER FROM THE CONSEQUENCES OF BAD PLANNING OR FROM ITS LACK: **PARKED CARS ON THE SIDEWALK, SMOG IN THE AIR, DANGER IN URBAN SPACE.**

KYIV IS THE LEADER IN THE NUMBER OF CARS AMONG OTHER REGIONS OF UKRAINE. IN GENERAL, THIS FIGURE IS **400 CARS PER 1 THOUSAND** INHABITANTS.
